Furnishing the information called for.

The total number of sweepers to whom free supply of clothing has been proposed is reported to be 42 (male sweepers being 35 and female sweepers 7) is proposed to be given

Each ~~has to have~~ two sets of clothing according to the proposal at a total cost of Rs 11-8-0 and Rs 15/- respectively (the male and female ones) The grand total for 7 pairs works out to be Rs 507-8-0 instead of Rs 510/- as reported (perhaps the figure is given only roughly)

The closing balance for '44-45, out of which the cost was proposed to be met, is said to be Rs 28,305-0-4 on 1-5-'45. Now that the official year 44-45 is over the closing balance of the current year has to be increased by for meeting this expenditure Govt. were to be pleased to sanction the proposal Subd. for orders

4/8/45. The financial condition of Chikballapur Town Municipality is quite sound.

The proposal would ameliorate the condition of this menial class of employees in the Municipality to some extent It is said to cost about Rs 510/- to provide clothing (two sets) to each of the men women sweepers & Scavengers every year and the amount can be met out of the closing balance existing as

Supply of light clothing to the Municipal Sweepers of Chickballapur Town.

Sir,

In forwarding herewith a copy of the resolution of the Municipal Council of Chickballapur passed at their meeting held on 16/3/45 in the matter of annual supply of clothing to the sweepers and scavengers of the Municipality I have the honour to state that the cost of living of late has gone up very high and the low paid servants find it extremely difficult to provide for their daily necessities. The Municipal Council have considered this aspect and they have resolved to supply light clothing to these workers and their resolution deserves consideration. It is a big town Municipality and ~~is becoming of it~~ can afford to provide clothing to this class of servants. One set of clothing as detailed in the margin* may be issued every year in April to each one of the scavengers and sweepers. The probable cost is about Rs.600/- per annum and the Municipal Council propose to meet the same from the closing balance this
